

Views on Sandys Moor Development Proposals

Below are results of an online questionnaire on the Sandys Moor planning application in August 2018. This survey was primarily promoted through a leaflet delivered with ward newsletters in the Nordens Meadow and Palace Gardens areas of Wiveliscombe.

The survey had 14 completions, so cannot be regarded as representative of local opinion but gives an indication of some views. Thank you to all who responded.

The results for each question are listed in order of support (votes). Multiple answers are allowed for some questions and there is a control to prevent multiple responses being counted from the same source. The word cloud shows text responses given under 'other'.

2

Would any of the following be likely problems from mixed-use development at Sandys Moor (tick all that apply)?

13 voters

▼ SORT

More traffic on Taunton Road		46.15%	6 votes
Parking problems in Wiveliscombe		92.31%	12 votes
Too many new houses on top of additional housing planned already		61.54%	8 votes
Not enough capacity at local schools		76.92%	10 votes
Not enough capacity at doctors surgery		69.23%	9 votes
Conflict between homeowners and businesses located close to each other		61.54%	8 votes
Loss of wildlife habitat		84.62%	11 votes
Spoil the view		8.33%	1 votes
Other		7.69%	1 votes

Word Cloud

There is no need for a further 100 homes in Wiveliscombe especially when the infrastructure is inadequate to support such a development. This and other proposed developments ould fundamentally change the character of the town for the worse.
