### Exploring the countryside - walks from buses

There are lots of options for interesting walks from bus routes shown on this map. With buses, you can get off in one village, walk across country to the next village and bus back again. And even stop for a drink, if so inclined.

Here are a few examples of walks, with the relevant bus service:

- 20 Taunton-Honiton** Culmstock to Culmstock Beacon (4 miles) <http://bit.ly/20culmstock>
- 28 Taunton-Minehead** Along the Quantocks (12 miles) <http://bit.ly/28quantocks>
- 28 Taunton-Minehead** Grabbist Hill and Knowle Hill (4 miles) from Dunster <http://bit.ly/28Dunster>
- 29 Taunton-Wells** Glastonbury Tor walk (3 miles) <http://bit.ly/2WQhchJ>
- 25 Taunton-Dulverton** From Dulverton (13 miles) <http://bit.ly/2FiSxHN>

You can find more walks like this at [carfreewalks.org](http://carfreewalks.org)

**Taunton Area Cycling Campaign** a voluntary group run by local residents. The group's aim is safer, better and more cycling in the Taunton Area. [thetacc.org.uk](http://thetacc.org.uk)

**Disclaimer** The information provided in this leaflet is correct as of July 2019. We cannot accept responsibility for any revisions to the information provided.

Taunton Transition Town (TTT) and Transition Town Wellington (TTW) are among thousands of groups worldwide that make up the Transition Network which began in Totnes in 2006.

The project to create this bus map came about because we want to promote sustainable travel such as bus use, as well as walking and cycling, in order to curb greenhouse gas emissions, congestion and air pollution. Information on bus services is fragmented; this map aims to provide a single reference on the surprising range of services that is available. We hope this will inspire days out by bus, where you can get off at one point and back on at another.

Transition Town groups are made up of people who work together to find local solutions to the huge global challenges we face - climate change, diminishing natural resources and the damage inflicted on the earth's ecosystems. Our activities include community gardening, talks, films, repair cafes and much more. We have links with other local Transition/environmental groups, local councils and wider movements such as Extinction Rebellion.

In 2019, TTW won national recognition for its work - the Climate Coalition's Green Heart Hero award for 'Most Inspirational Community Project'.
